nr. 2 COFUND projects

A COFUND Action for UNITO, why?

At research(er) level

- ▶ offer of new **international programme** to be implemented through trans-national mobility of fellows,
- ▶ offer of **interdisciplinary research paths, freedom of choice** amongst a broad range of research areas
- ▶ definition and provision of **innovative research and training programmes**, aligned to **EU standards**, including the strengthening of **international and intersectoral exposure of fellows**;
- ▶ increasing the set of **skills, both research-related and transferable ones, enhancing future career prospects** both in and outside academia
- ▶ creating **favorable conditions of developing research and training projects with regional, national or international partner organisations**, thus extending the networking

A COFUND Action for UNITO, why?

At organisational and system level

- ▶ Become a **player of excellence** in **creating an innovative setting** to enhance researchers' careers;
- ▶ Enhanced cooperation and transfer of knowledge between sectors and disciplines, Strengthening of international and intersectoral collaborative networks

Make progress towards the principles of recruiting researchers according to EU Charter & Code principles

- ▶ Improvement in the **working and employment conditions** for researchers in Europe at all levels of their career, starting from the doctoral stage
- ▶ Increase in **international, interdisciplinary and intersectoral mobility of researchers in Europe**, thus strengthening of Europe's human capital base in R&I and increase in Europe's attractiveness as a leading destination for R&I
